

How your support could help....

"My name is Lucy and I am 9 years old. I love books, doodling, baking, animals and my family and friends. On 16th February 2021 I was told that I had cancer in my blood.

I like school and when I was told I could not go for a long time I was pretty upset. Even though I don't have one of my own I love pets and was very upset when I was told I could not even touch them. My can't do list has grown a mile longer than my can do list! But being diagnosed with cancer has changed what I want to be when I grow up. I want to be a doctor.

Gareth, my Cancer Fund for Children Specialist has really helped me handle my feelings and we had good fun making cornflake buns (my favourite dessert). Gareth told me all about Daisy Lodge. It sounds awesome. We are going in December! This Christmas I'm really looking forward to our Christmas dinner and family time. What I want most from Santa is for a better 2022!"

By supporting Cancer Fund for Children this Christmas, you will be helping families like Lucy's. If you would like more information or would like to register for either event simply complete the enclosed reply slip or contact rebecca@cancerfundforchildren.com

Kind regards

Rebecca Oates
